

The Subscription Plan applies to the ALERE® Accounting, ALERE Manufacturing and SOC Configuration products.

*How the Subscription Plan Works*

**Use of Software:** You are granted the nonexclusive right to use the software for the subscription period for which you have paid. A subscription period is a minimum of one (1) month. This software may only be used on a single computer/local area network. You may physically transfer the software from one computer to another provided that the software is used on only one computer/local area network at a time. If you wish to use the software on more than one computer/local area network, you must have a license additional copies of the software. You may not electronically transmit the software by any means or distribute copies of the program or documentation to others. You may not modify or translate the software or related documentation without prior written consent from TIW Technology, Inc. You will use your best efforts and take reasonable steps to protect the software materials from unauthorized reproduction, publication, disclosure, or distribution.

**Software Maintenance:** During the subscription period TIW will automatically update you with new releases as they are available. You may choose to have these updates sent directly to you or to your designated Dealer.

**Technical Support:** During the subscription period you are entitled to Technical Support from TIW. This support is designed to answer installation and operational questions. It is not designed to provide training or consulting support. Those services should be handled by your Dealer or by arrangement with TIW.

*The Price of the Subscription Plan*

**Payment:** The subscription plan is a pay-as-you-go agreement. The minimum subscription period is one month, payable in advance. A subscription paid in advance for 12 months or more receives a ten percent discount. An activation key is provided for the period of the subscription.

**Price:** A company chooses any combination of TIW products and modules. The per month cost is:

- \$100/module for **ALERE Accounting, ALERE Manufacturing, ALERE DAQ** and **SOC LAN** (inc 5 user license)
- \$150/module for **ALERE Manufacturing CS** (inc 5 user license)
- \$200/module for **ALERE Accounting CS** (inc 5 user license)

Additional Five User Licenses are \$5/module/month for LAN and \$10/module/month for Client/Server.

**Changing the Product Mix:** You may add or drop modules or product at any time during the subscription period. All pricing is computed in whole months.

**Price Guarantee:** TIW guarantees that the per month pricing will not change for the period of the subscription up to twelve (12) months.
